

## UGI International Prices Senior Notes Offering

May 13, 2026

VALLEY FORGE, Pa.--(BUSINESS WIRE)--May 13, 2026-- UGI Corporation ("UGI" or the "Company") (NYSE: [UGI](#)) announced today that its indirect, wholly owned subsidiary, UGI International, LLC ("UGI International"), priced its offering of €300,000,000 in aggregate principal amount of 5.000% senior notes due 2031 (the "Notes"). The Notes are being offered to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and to non- U.S. persons outside the United States in compliance with Regulation S under the Securities Act. The closing of the offering is expected to occur on or about May 21, 2026 and is subject to customary closing conditions.

The Notes will be fully and unconditionally guaranteed by certain subsidiaries of UGI International that guarantee UGI International's obligations under its existing €300,000,000 senior unsecured term loan facility (the "Term Loan") and its existing €500,000,000 senior unsecured revolving credit facility (the "Revolving Credit Facility"), but will not be guaranteed by the Company.

UGI International intends to use the net proceeds of the issuance of the Notes to (i) repay short-term borrowings under the Revolving Credit Facility associated with the payment of a dividend to the Company, which was contributed to AmeriGas Partners, L.P., an indirect, wholly owned subsidiary of the Company ("AmeriGas"), and a portion of which the Company expects will be used by AmeriGas to repay an intercompany loan owed to UGI International, (ii) repay other amounts currently outstanding under the Revolving Credit Facility, (iii) partially prepay the Term Loan and (iv) pay fees and expenses related to the foregoing, and the remainder will be used for general corporate purposes.

The Notes offering is not conditioned upon the repayment of the intercompany loan by AmeriGas, and if UGI International does not receive some or all of the expected repayment amounts on the intercompany loan, UGI International would expect to decrease intended repayments of amounts under the Revolving Credit Facility and/or Term Loan accordingly.

The Notes and the related guarantees will not be registered under the Securities Act, or any state securities laws, and may not be offered or sold in the United States absent registration, except pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws.

This announcement is neither an offer to sell nor a solicitation of an offer to buy the Notes, the guarantees or any other securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful.
