FROM: Roger Perreault
SUBJECT: UGI Ownership of AmeriGas Partners

Each of you received a memo from John Walsh today announcing that UGI Corporation has entered into an agreement to fully consolidate its ownership of AmeriGas Partners, L.P. by acquiring the outstanding common units of AmeriGas that we do not already own. As John mentioned in his memo, this transaction is focused on positioning UGI for continued success and profitable growth today and into the future. For the Global LPG business, we expect that the transaction will provide further support for several of our key business goals: to align on commercial and operational excellence initiatives, enhance our safety culture and performance, improve the customer experience through digital investments and excellent service, and continue to make sound strategic investments to grow and increase efficiency.

While today's news will change UGI's ownership interest in AmeriGas, it will not have a significant impact on the work we do and the goals we strive to achieve each and every day. I ask each of you to remain focused on growing our core LPG business in Europe and in continuing to perform your duties in your usual safety-focused, reliable, and customer-oriented manner. Our values and priorities in delivering on our commitments continue to be of the utmost importance. We are extremely proud of our highly-skilled workforce and look forward to additional opportunities to leverage our talent on a global basis.

We are working closely with the team charged with closing this transaction, which is expected to occur later this year, and will provide periodic updates on our progress. In the meantime, we appreciate your contributions to the success of the company and look forward to your continued service to our customers and the communities we serve.
