Item 1.01 Entry into a Material Definitive Agreement.

On September 12, 2006, UGI Utilities, Inc., a Pennsylvania corporation (the "Issuer"), entered into a Purchase Agreement (the "Purchase Agreement") with Credit Suisse Securities (USA) LLC and Wachovia Capital Markets, LLC, as representatives of the initial purchasers, relating to the offering and sale by the Issuer of \$175,000,000 principal amount of 5.753% Series A Senior Notes due 2016 (the "2016 Notes") and \$100,000,000 principal amount of 6.206% Series A Senior Notes due 2036 (the "2036 Notes") (the 2016 Notes and 2036 Notes shall be collectively referred to as the "Notes") in a private transaction. The Purchase Agreement provides for the delivery of the Notes to the initial purchasers on September 15, 2006, or at such other time not later than seven full business days thereafter as the representatives of the initial purchasers and the Issuer may determine under certain circumstances.

All of the proceeds of the offering were used by the Issuer to repay the indebtedness owed by the Issuer under its \$275,000,000 bridge loan facility, dated as of August 18, 2006, with Credit Suisse, Cayman Islands Branch, Citibank N.A., and Wachovia Bank, National Association, each in their capacities as lenders. Borrowings under the bridge loan facility were used to fund the Issuer's acquisition of the natural gas utility business of PG Energy, an operating division of Southern Union Company, and the capital stock of Southern Union Company's subsidiary, PG Energy Services, Inc.

The Notes have not been registered for public sale under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

On September 15, 2006, the Issuer issued the Notes under an Indenture dated as of August 1, 1993 (the "Indenture"), as supplemented by a supplemental indenture dated as of September 15, 2006 (the "Supplemental Indenture") by and between the Issuer and U.S. Bank National Association, successor trustee to Wachovia Bank, National Association. The Supplemental Indenture permits the creation of the Notes and became effective upon acceptance of the Notes for purchase on September 15, 2006. If an event of default occurs with respect to the Notes, the trustee or holders of at least 25% in principal amount of the Notes may declare the principal amount of the Notes due and payable immediately, except that if the event of default involves the bankruptcy, insolvency or reorganization of the Issuer, the total principal amount of the Notes and all of the other indebtedness outstanding under the Indenture will automatically be due and payable immediately.

Pursuant to the terms of the Purchase Agreement, the Issuer entered into a Registration Rights Agreement, dated September 15, 2006, with Credit Suisse Securities (USA) LLC, Wachovia Capital Markets, LLC and Citigroup Global Markets Inc., the initial purchasers of the Notes. The Registration Rights Agreement requires the Issuer to file a registration statement under the Securities Act to enable holders of the Notes to exchange them for registered notes having substantially the same terms (the "Exchange Offer"). The Issuer must use its best efforts to have the registration statement declared effective by the Securities and Exchange Commission within 180 days of the execution of the Supplemental Indenture. The Issuer must also use its best efforts to keep the Exchange Offer open for a period of not less than 20 business days. The Issuer shall use reasonable efforts to cause the Exchange Offer to be completed not later than 10 business days following the expiration of the period during which the Exchange Offer is open.

The Issuer is filing the Purchase Agreement as Exhibit 10.1, the Supplemental Indenture as Exhibit 4.2, and the Registration Rights Agreement as Exhibit 99.1 to this Current Report on Form 8-K. The descriptions of the terms of the Purchase Agreement, the Supplemental Indenture and the Registration Rights Agreement in this Item 1.01 are qualified in their entirety by reference to such exhibits. The Indenture shall be incorporated herein by reference to the Registration Statement on Form S-3 filed on April 8, 1994 (File No. 33-77514). The description of the terms of the Indenture in this Item 1.01 is qualified in its entirety by reference to the Indenture.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Reference is made to the information regarding the issuance of the Notes under the Supplemental Indenture as set forth under Item 1.01 above, which information is incorporated herein by reference.

(x) Except as disclosed in the General Disclosure Package, no labor dispute with the employees of the Issuer or any subsidiary exists or, to the knowledge of the Issuer, is imminent that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(y) Except as disclosed in the General Disclosure Package, neither the Issuer nor any of its subsidiaries is: in violation of any statute or any rule, regulation, decision or order of any governmental agency or body or any court, domestic or foreign, relating to the use, disposal or release of hazardous or toxic substances or relating to the protection or restoration of the environment or human exposure to hazardous or toxic substances (collectively, "environmental laws"); owns or operates any real property contaminated with any substance that is subject to any environmental laws; is liable for any off-site disposal or contamination pursuant to any environmental laws; or is subject to any claim relating to any environmental laws, which violation, contamination, liability or claim would have, individually or in the aggregate, a Material Adverse Effect; and, except as disclosed in the General Disclosure Package, the Issuer is not aware of any pending investigation which might lead to such a claim.

(z) The Issuer and its subsidiaries and any "employee benefit plan" (as defined under the Employee Retirement Income Security Act of 1974, as amended, and the regulations and published interpretations thereunder (collectively, "ERISA")) established or maintained by the Issuer, its subsidiaries or their "ERISA Affiliates" (as defined below) are in compliance in all material respects with ERISA. "ERISA Affiliate" means, with respect to the Issuer or a subsidiary, any member of any group of organizations described in Sections 414, or of the Internal Revenue Code of 1986, as amended, and the regulations and published interpretations thereunder (the "Code") of which the Issuer or such subsidiary is a member. No "reportable event" (as defined under ERISA) that would, individually or in the aggregate, have a Material Adverse Effect has occurred or is reasonably expected to occur with respect to any "employee benefit plan" established or maintained by the Issuer, its subsidiaries or any of their ERISA Affiliates. No "employee benefit plan" established or maintained by the Issuer, its subsidiaries or any of their ERISA Affiliates, if such "employee benefit plan" were terminated, would have any "amount of unfunded benefit liabilities" (as defined under ERISA) that would, individually or in the aggregate, have a Material Adverse Effect. Neither the Issuer, its subsidiaries nor any of their ERISA Affiliates has incurred or reasonably expects to incur any liability under Title IV of ERISA with respect to termination of, or withdrawal from, any "employee benefit plan" or Sections 412, 4971, 4975 or 4980B of the Code. Each "employee benefit plan" established or maintained by the Issuer, its subsidiaries or any of their ERISA Affiliates that is intended to be qualified under Section 401 of the Code is so qualified and nothing has occurred, whether by action or failure to act, which would cause the loss of such qualification.

(aa) The Issuer is not an open-end investment company, unit investment trust or face-amount certificate company that is or is required to be registered under Section 8 of the United States Investment Company Act of 1940 (the "Investment Company Act"); and the Issuer is not and, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the General Disclosure Package, will not be an "investment company" as defined in the Investment Company Act.

(bb) The PUC Order approving the issuance of the Securities has been duly issued and remains in full force and effect without amendment or modification and is not the subject of any appeal or other proceeding.

(cc) The order of the PUC approving the acquisition of the PG Energy Business by the Issuer (the “Acquisition”) dated August 18, 2006 (the “Acquisition Order”) has been duly issued and remains in full force and effect without amendment or modification and, to the Issuer’s knowledge and except as disclosed in the General Disclosure Package, is not the subject of any appeal or other proceeding that would have a Material Adverse Effect or a material adverse effect on the timely consummation of the Acquisition.

(dd) The Issuer will comply with all applicable securities and other laws, rules and regulations, including, without limitation, the Sarbanes-Oxley Act of 2002, except to the extent that any non-compliance will not have a material adverse effect on the Issuer and its subsidiaries when taken as a whole.

(ee) Except as disclosed in the General Disclosure Package, there are no contracts, agreements or understandings between the Issuer or its subsidiaries and any person granting such person the right to include securities of the Issuer with the Exchange Securities to be registered in a registration statement pursuant to the Registration Rights Agreement.

(ff) The Issuer is subject to the reporting requirements of either Section 13 or Section 15(d) of the Exchange Act and files reports with the Commission on the Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system.

(gg) No securities of the same class (within the meaning of Rule 144A(d)(3) under the Securities Act) as the Securities are listed on any national securities exchange that is registered under Section 6 of the Exchange Act or quoted in a U.S. automated inter-dealer quotation system.

(hh) No registration under the Securities Act of the Securities is required for the sale of the Securities to the Initial Purchasers as contemplated hereby or for the offer of the Securities (the “Exempt Resales”) assuming (i) that the purchasers who buy the Securities in the Exempt Resales are “qualified institutional buyers” (“QIBs”), as defined in Rule 144A of the Securities Act (“Rule 144A”), and (ii) the accuracy of the Initial Purchasers’ representations regarding the absence of a general solicitation in connection with the sale of the Securities to the Initial Purchasers and the Exempt Resales contained herein.

(ii) Neither the Issuer, nor any of its affiliates, nor any person acting on its or their behalf (i) has, within the six-month period prior to the date hereof, offered or sold in the United States or to any U.S. person (as such terms are defined in Regulation S under the Securities Act) the Securities or any security of the same class or series as the Securities or (ii) has offered or will offer or sell the Securities in the United States by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) under the Securities Act. The Issuer has not entered and will not enter into any contractual arrangement with respect to the distribution of the Securities except for this Agreement.

The Issuer acknowledges that the Initial Purchasers and, for purposes of the opinions to be delivered to the Initial Purchasers pursuant to Section 6 hereof, counsel to the Issuer and counsel to the Initial Purchasers will rely upon the accuracy and truth of the foregoing representations and hereby consent to such reliance.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Issuer agrees to sell to each Initial Purchaser, and each Initial Purchaser agrees, severally and not jointly, to purchase from the Issuer, at the purchase prices of 99.350% of the principal amount of the 2016 Notes and 99.125% of the principal amount of the 2036 Notes, the respective principal amounts of the 2016 Notes and the 2036 Notes set forth opposite such Initial Purchaser’s name in Schedule I hereto.

3. Delivery and Payment. Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Initial Purchasers against payment by the several Initial Purchasers through the Representatives of the purchase price thereof to or upon the order of the Issuers by wire transfer payable in same-day funds to an account specified by the Issuers. The Issuer will deliver against payment of the purchase price the Securities in the form of two or more permanent global Securities in definitive form (the “Global Securities”) deposited with the Trustee as custodian for The Depository Trust Company (“DTC”) and registered in the name of Cede & Co., as nominee for DTC. Interests in any permanent global Securities will be held only in book-entry form through DTC, except in the limited circumstances described in the Final Offering Circular. Payment for the Securities shall be made by the Initial Purchasers in Federal (same day) funds by wire transfer to an account at a bank acceptable to Credit Suisse at the office of Shearman & Sterling LLP, 599 Lexington Avenue, New York, NY 10022, at 9:00 a.m., New York time, on September 15, 2006, or at such other time not later than seven full business days thereafter as the Representatives and the Issuer determine (such date and time of delivery and payment for the Securities being herein called the “Closing Date”), against delivery to the Trustee as custodian for DTC of the Global Securities representing all of the Securities. The Global Securities will be made available for checking at the above office of Shearman & Sterling LLP at least 24 hours prior to the Closing Date.

4. Representations by Initial Purchasers.

(a) Each Initial Purchaser severally represents and warrants to the Issuer that it is an “accredited investor” within the meaning of Regulation D under the Securities Act.

(b) Each Initial Purchaser severally acknowledges that the Securities have not been registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except pursuant to

an exemption from the registration requirements of the Securities Act. Each Initial Purchaser severally represents and agrees that it has offered and sold the Securities, and will offer and sell the Securities as part of its distribution at any time only in accordance with Rule 144A. Accordingly, neither such Initial Purchaser nor its affiliates, nor any persons acting on its or their behalf, have engaged or will engage in any directed selling efforts with respect to the Securities; and such Initial Purchaser, its affiliates and all persons acting on its or their behalf have complied and will comply with the offering conditions of Rule 144A.

(c) Each Initial Purchaser severally agrees that it and each of its affiliates has not entered and will not enter into any contractual arrangement with respect to the distribution of the Securities except for any such arrangements with the other Initial Purchasers or affiliates of the other Initial Purchasers or with the prior written consent of the Issuer.

(d) Each Initial Purchaser severally agrees that it and each of its affiliates will not offer or sell the Securities in the United States by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) under the Securities Act, including, but not limited to (i) any advertisement, article, notice or other communication published in any newspaper, magazine or similar media or broadcast over television or radio, or (ii) any seminar or meeting whose attendees have been invited by any general solicitation or general advertising. Each Initial Purchaser severally agrees, to deliver either with the confirmation of such resale or otherwise prior to settlement of such resale a notice to the effect that the resale of such Securities has been made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A.

(e) The Initial Purchasers acknowledge that the Issuer and, for purposes of the opinions to be delivered to the Initial Purchasers pursuant to Section 7 hereof, counsel to the Issuer and counsel to the Initial Purchasers will rely upon the accuracy and truth of the foregoing representations and hereby consent to such reliance

5. Certain Agreements of the Issuer. The Issuer agrees with the several Initial Purchasers that:

(a) The Issuer will advise the Representatives promptly of any proposal to amend or supplement the Preliminary or Final Offering Circular and will not effect such amendment or supplementation without the Representatives' consent (which consent shall not be unreasonably withheld). If, at any time prior to the time the Representatives shall have notified the Issuer of the completion of the resale of the Securities by the Initial Purchasers, there occurs an event or development as a result of which any information included or incorporated by reference in the Preliminary or Final Offering Circular, the General Disclosure Package or any Supplemental Marketing Material included or would include an untrue statement of a material fact or omitted or would omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at such time, not misleading, or if it is necessary at any such time to amend or supplement the Preliminary or Final Offering Circular, the General Disclosure Package or any Supplemental Marketing Material to comply with any applicable law, the Issuer promptly will notify each Representative of such event and promptly will prepare, at its own expense, an amendment or supplement which will correct such statement or omission or effect such compliance. Neither the Representatives' consent to, nor the Initial Purchasers' delivery to offerees or investors of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 6. The first sentence of this subsection does not apply to statements in or omissions from any information included or incorporated by reference in the Preliminary or Final Offering Circular, the General Disclosure Package or any Supplemental Marketing Material based upon and in conformity with written information furnished to the Issuer by any Initial Purchaser through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Initial Purchaser consists of the information described as such in Section 9(b) hereof.

(b) The Issuer will furnish to each Representative copies of the Preliminary Offering Circular, each other document comprising a part of the General Disclosure Package, the Final Offering Circular, all amendments and supplements to such documents and each item of Supplemental Marketing Material, in each case as soon as available and in such quantities as the Representatives shall reasonably request. At any time when the Issuer is not subject to Section 13 or 15(d) of the Exchange Act, the Issuer will promptly furnish or cause to be furnished to the Representatives, and, upon request, to each of the other Initial Purchasers and, upon request of holders and prospective purchasers of the Securities, to such holders and purchasers, copies of the information required to be delivered to holders and prospective purchasers of the Securities pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto) in order to permit compliance with Rule 144A in connection with resales by such holders of the Securities. The Issuer will pay the expenses of printing and distributing to the Initial Purchasers all such documents.

(c) The Issuer will cooperate with the Representatives in connection with the qualification of the Securities for sale and the determination of their eligibility for investment under the laws of such jurisdictions in the United States as the Representatives designate on or prior to the date hereof and will continue such qualification in effect for so long as required for the exempt resale of the Securities by the Initial Purchasers (but not later than the effectiveness of the Exchange Offer Registration Statement or the Shelf Registration Statement, as applicable); provided, however, that the Issuer will not be required to register or qualify as a foreign corporation where it is not now so registered or qualified or to take any action that would subject it to the service of process in suits or taxation, other than as to matters and transactions relating to the exempt resale of the Securities by the Initial Purchasers, in any jurisdiction where it is not now so subject.

(d) During the period of two years after the Closing Date, the Issuer will, upon request, furnish to each of the Representatives, each of the other Initial Purchasers and any holder of Securities, a copy of the restrictions on transfer applicable to the Securities.

(e) During the period of two years after the Closing Date, the Issuer will not, and will not permit any of its affiliates (as defined in Rule 144 under the Securities Act) to, resell any of the Securities that have been reacquired by any of them.

(f) Subject to the Initial Purchasers' compliance with their representations and warranties and agreements set forth in Section 4 hereof, the Issuer consents to the use of the Preliminary Offering Circular, any other documents comprising any part of the General Disclosure Package, the Final Offering Circular and any amendments and supplements thereto required pursuant to Section 5(a) hereto, by the Initial Purchasers; provided, however, that such consent is given solely in connection with the offer and sale of the Securities pursuant to and in accordance with the terms of this Agreement.

(g) Except as contemplated in the Registration Rights Agreement, none of the Issuer or any of its affiliates, nor any person acting on its or their behalf (other than the Representatives or any of their affiliates, as to whom the Issuer expresses no opinion) will, directly or indirectly, make offers or sales of any security, or solicit offers to buy any security, under circumstances that would require the registration of the Securities under the Securities Act.

(h) During the period of two years after the Closing Date, the Issuer will not be or become, an open-end investment company, unit investment trust or face-amount certificate company that is or is required to be registered under Section 8 of the Investment Company Act.

(i) The Issuer will pay for all reasonable expenses incidental to the performance of its obligations under this Agreement, the Indenture and the Registration Rights Agreement, including (i) the fees and expenses of the Trustee and its professional advisers; (ii) all expenses in connection with the execution, issue, authentication and initial delivery of the Securities and, as applicable, the Exchange Securities, the preparation and printing of this Agreement, the Registration Rights Agreement, the Securities, the Indenture, the Preliminary Offering Circular, any other documents comprising any part of the General Disclosure Package, the Final Offering Circular, all amendments and supplements thereto, each item of Supplemental Marketing Material and any other document relating to the issuance, offer, sale and delivery of the Securities and as applicable, the Exchange Securities; (iii) the cost of any advertising approved in advance by the Issuer in connection with the issue of the Securities; (iv) any expenses (including reasonable fees and disbursements of counsel) incurred in connection with qualification of the Securities or the Exchange Securities for sale under the laws of such jurisdictions in the United States as the Representatives designate in accordance with Section 5(c) hereof and the printing of memoranda relating thereto; (v) any fees charged by investment rating agencies for the rating of the Securities or the Exchange Securities; and (vi) for expenses incurred in distributing the Preliminary Offering Circular, any other documents comprising any part of the General Disclosure Package, the Final Offering Circular (including any amendments and supplements thereto) and any Supplemental Marketing Material to the Initial Purchasers.

It is understood that, except as otherwise provided in this Agreement, the Initial Purchasers will pay all their own costs and expenses, including (i) the fees of their counsel, (ii) transfer taxes on any exempt resale of the Securities by them, and (iii) the transportation and other expenses incurred by the Initial Purchasers in connection with attending or hosting meetings with or making presentations to prospective purchasers of the Securities from the Initial Purchasers. The Issuer acknowledges that it has advised the Initial Purchasers that it does not intend to conduct any "roadshow" or other meeting with or presentation to prospective purchasers of the Securities from the Initial Purchasers that would result in the incurrence of any expenses referred to in clause (iii) of the preceding sentence.

(j) The Issuer will not, without the prior written consent of each Representative, from the date of this Agreement until the Closing Date, offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, or file with the Commission a registration statement under the Securities Act relating to, any debt securities issued or guaranteed by the Issuer which mature more than one year after the Closing Date, which are substantially similar to the Securities and are denominated in the same currency as the Securities, or publicly disclose the intention to make any such offer, sale, pledge, disposition or filing. The Issuer will not at any time offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any securities under circumstances where such offer, sale, pledge, contract or disposition would cause the exemption afforded by Section 4(2) of the Securities Act to cease to be applicable to the offer and sale of the Securities.

(k) The Issuer will apply the net proceeds from the sale of the Securities as set forth under "Use of Proceeds" in the General Disclosure Package and the Final Offering Circular.

(l) The Issuer will cooperate with the Initial Purchasers and use its best efforts to permit the Securities to be eligible for clearance and settlement through the facilities of DTC.

(m) The Issuer will promptly notify each Representative, up to and including the Closing Date, of any downgrading in the rating of any debt securities of the Issuer or any known proposal to downgrade the rating of any debt securities of the Issuer by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Issuer (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading of such rating), as soon as the Issuer learns of such downgrading, proposal to downgrade or public announcement.

6. Free Writing Communications.

(a) The Issuer represents and agrees that, unless it obtains the prior consent of the Representatives, and each Initial Purchaser represents and agrees that, unless it obtains the prior consent of the Issuer and the Representatives, it has not made

and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Communication.

(b) The Issuer consents to the use by any Initial Purchaser of a Free Writing Communication that (i) contains only (A) information describing the preliminary terms of the Securities or their offering or (B) information that describes the final terms of the Securities or their offering and that is included in the Terms Communication or is included in or is subsequently included in the Final Offering Circular or (ii) does not contain any material information about the Issuer or its securities that was provided by or on behalf of the Issuer, it being understood and agreed that any such Free Writing Communication referred to in clause (i) or (ii) shall not be an Issuer Free Writing Communication for purposes of this Agreement.

7. Conditions to the Obligations of the Initial Purchasers. The obligations of the Initial Purchasers to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Issuer contained herein as of the Applicable Time and the Closing Date, to the accuracy of the statements of the Issuer made in any certificates pursuant to the provisions hereof, to the performance by the Issuer of its obligations hereunder and to the following additional conditions:

(a) Subsequent to the execution and delivery of this Agreement, there shall not have occurred (i) any change, or any development or event involving a prospective change, in the financial condition, business, properties, results of operations or prospects of the Issuer and its subsidiaries taken as a whole which, in the judgment of a majority in interest of the Initial Purchasers including Credit Suisse, is material and adverse and makes it impractical or inadvisable to proceed with completion of the offering or the sale of and payment for the Securities; (ii) any downgrading in the rating of any debt securities of the Issuer by any “nationally recognized statistical rating organization” (as defined for purposes of Rule 436(g) under the Securities Act), or any public announcement that any such organization has under surveillance or review its rating of any debt securities of the Issuer (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating); (iii) any change in U.S. or international financial, political or economic conditions or currency exchange rates or exchange controls as would, in the judgment of a majority in interest of the Initial Purchasers including Credit Suisse, be likely to prejudice materially the success of the proposed issue, sale or distribution of the Securities, whether in the primary market or in respect of dealings in the secondary market, (iv) any material suspension or material limitation of trading in securities generally on the New York Stock Exchange, or any setting of minimum prices for trading on such exchange; (v) or any suspension of trading of any securities of the Issuer on any exchange or in the over-the-counter market; (vi) any banking moratorium declared by U.S. Federal or New York authorities; (vii) any major disruption of settlements of securities or clearance services in the United States or (viii) any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration of war by Congress or any other national or international calamity or emergency if, in the judgment of a majority in interest of the Initial Purchasers including Credit Suisse, the effect of any such attack, outbreak, escalation, act, declaration, calamity or emergency makes it impractical or inadvisable to proceed with completion of the offering or sale of and payment for the Securities.

(b) The Issuer shall have requested and caused Morgan, Lewis & Bockius LLP, counsel to the Issuer, to have furnished to the Representatives their opinion, dated the Closing Date and addressed to the Representatives, to the effect that:

(i) The Issuer is a corporation presently subsisting under the laws of the Commonwealth of Pennsylvania, with all requisite corporate power and authority to own, lease and operate its properties and to carry on its business as described in the General Disclosure Package and the Final Offering Circular;

(ii) Penn Natural is a corporation presently subsisting under the laws of the Commonwealth of Pennsylvania, with all requisite corporate power and authority to own, lease and operate its properties and to carry on its business as described in the General Disclosure Package and the Final Offering Circular; all of the issued and outstanding capital stock of Penn Natural has been duly authorized and validly issued and is fully paid and nonassessable; and the capital stock of Penn Natural, directly or through subsidiaries, is owned free from liens, encumbrances and defects;

(iii) The Indenture has been duly authorized, executed and delivered by the Issuer and constitutes the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, subject (i) to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization moratorium and similar laws relating to or affecting creditors' rights and remedies generally and (ii) as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing, regardless of whether enforcement is sought in a proceeding at law or in equity, and except (a) to the extent that a waiver of rights under any usury laws may be unenforceable and (b) that rights to indemnification and contribution thereunder may be limited by federal or state securities laws or public policy relating thereto;

(iv) The Securities have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Initial Purchasers as contemplated by this Agreement, will constitute the legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their terms and entitled to the benefits of the Indenture, subject (i) to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws relating to or affecting creditors' rights and remedies generally and (ii) as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing, regardless of whether enforcement is sought in a proceeding at law or in equity, and except (a) to the extent that a waiver of rights under any usury laws may be unenforceable and (b) that rights to indemnification and contribution thereunder may be limited by federal or state securities laws or public policy relating thereto;

(v) The statements in the General Disclosure Package under the caption “Description of the Notes,” insofar as they constitute descriptions of the Indenture, the Securities and the Registration Rights Agreement or refer to statements of

law or legal conclusions under New York, Pennsylvania corporate or federal law, constitute fair summaries thereof in all material respects;

(vi) Except for the registration of the securities certificate relating to the Securities by the PUC, which registration has been obtained by the PUC Order, no consent, approval, authorization or order of, or filing with, any governmental agency or body or any court is required for the consummation of the transactions contemplated by this Agreement and the Registration Rights Agreement in connection with the issuance and sale of the Securities by the Issuer, except for the filing of the Exchange Offer Registration Statement or the Shelf Registration Statement (each as defined in the Registration Right Agreement), qualification of the Trustee, and order of the Commission declaring the Exchange Offer Registration Statement or the Shelf Registration Statement effective, and except for such as will be obtained and made under the Securities Act and the Trust Indenture Act and such as may be required under state securities or blue sky laws (as to which state securities or blue sky laws we express no opinion), which, if not obtained or made, would not have a material adverse effect upon the financial condition, business, properties or results of operations of the Issuer;

(vii) The execution, delivery and performance of the Indenture, this Agreement and the Registration Rights Agreement, the issuance and sale of the Securities, and the consummation by the Issuer of the other transactions contemplated thereby will not (i) result in a violation of the certificate of incorporation or bylaws of the Issuer, (ii) breach or result in a default under any provision of any agreement or instrument filed as an exhibit to any of the Issuer's reports heretofore filed with the Securities and Exchange Commission pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference into the Offering Circular (other than as described in the Offering Circular and except for documents, agreements or other instruments that will be extinguished on the Closing Date), (iii) result in a violation of any federal law of the United States or any law of the Commonwealth of Pennsylvania or any regulation thereunder, or (iv) violate any judicial or administrative judgment, order or decree known to such counsel to which the Issuer is subject;

(viii) This Agreement has been duly authorized, executed and delivered by the Issuer;

(ix) The Registration Rights Agreement has been duly authorized, executed and delivered by the Issuer and constitutes the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, subject (i) to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization moratorium and similar laws relating to or affecting creditors' rights and remedies generally and (ii) as to enforceability, to general principles of equity, including principals of commercial reasonableness, good faith and fair dealing, regardless of whether enforcement is sought in a proceeding at law or in equity, and except (a) to the extent that a waiver of rights under any usury laws may be unenforceable and (b) that rights to indemnification and contribution thereunder may be limited by federal or state securities laws or public policy relating thereto;

(x) Except as disclosed in the General Disclosure Package and the Final Offering Circular, the Issuer possesses adequate certificates, authorities or permits issued by appropriate governmental agencies or bodies necessary to conduct the business now operated by it and has not received any notice of proceedings relating to the revocation or modification of any such certificate, authority or permit that would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Issuer and its subsidiaries taken as a whole;

(xi) The Issuer is not and, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the General Disclosure Package, will not be an "investment company" as defined in the Investment Company Act; and

(xii) Assuming the accuracy of the representations and warranties and compliance with the agreements contained in this Agreement, it is not necessary in connection with (i) the offer and sale of the Securities to the Initial Purchasers pursuant to this Agreement or (ii) the resales of the Securities by the Initial Purchasers in the manner contemplated by this Agreement, to register the Securities under the Securities Act or to qualify an indenture in respect thereof under the Trust Indenture Act.

In addition, such counsel shall state that it has participated in conferences with officers and other representatives of the Issuer and representatives of the independent registered public accounting firm for the Issuer and the PG Energy Business at which conferences the contents of the General Disclosure Package and the Final Offering Circular and related matters were discussed, and that, although such counsel has not independently verified and need not pass upon, or assume responsibility for, the accuracy, completeness or fairness of the statements contained in the General Disclosure Package and the Final Offering Circular (except to the extent specified in the foregoing opinion), no facts have come to such counsel's attention which lead such counsel to believe that (i) the Final Offering Circular (including any Exchange Act Report incorporated by reference therein), or any amendment or supplement thereto, as of the date thereof and the date of such opinion, contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (ii) the documents specified in a schedule to such counsel's letter, consisting of those included in the General Disclosure Package, when taken together as a whole, as of the Applicable Time, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements contained therein, in the light of circumstances under which they were made, not misleading, it being understood that such counsel need express no opinion as to the financial statements or other financial data contained or incorporated by reference in the General Disclosure Package, the Final Offering Circular and the Exchange Act Reports.

In rendering their opinions as aforesaid, such counsel may rely upon an opinion or opinions, each dated the Closing Date, of other counsel retained by them or the Issuer as to laws of any jurisdiction other than the United States or the States of New York and Pennsylvania; provided that (A) each such local counsel is reasonably acceptable to you and (B) such reliance is expressly authorized by each opinion so relied upon and a copy of each such opinion is delivered to you and is, in form and substance, reasonably satisfactory to you and your counsel.

In rendering such opinion, such counsel may (A) rely in respect of matters of fact upon certificates (original counterparts of which shall be furnished to you) of officers and employees of the Issuer and upon information obtained from public officials, (B) rely wholly upon (without independent investigation) opinions of other counsel issued in connection with the transactions contemplated by this Agreement, (C) state that their opinion is limited to federal laws, New York law and Pennsylvania law, and (D) assume that all documents submitted to them as originals are authentic, that all copies submitted to them conform to the originals thereof, and that the signatures on all documents examined by such counsel are genuine.

(c) The Representatives shall have received from Shearman & Sterling LLP, counsel for the Initial Purchasers, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the General Disclosure Package, the Final Offering Circular (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Issuer shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(d) The Issuer shall have furnished to the Representatives a certificate, signed by the President or any Vice President and a principal financial or accounting officer of the Issuer, dated the Closing Date, in which such officers, to the best of their knowledge after reasonable investigation, certify to the effect that:

(i) the representations and warranties of the Issuer in this Agreement are true and correct on the date hereof and on the Closing Date with the same force and effect as if made on and as of the date hereof and the Closing Date, respectively, that the Issuer has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date; and

(ii) subsequent to the date of the most recent financial statements included or incorporated by reference in the General Disclosure Package, there has been no material adverse change, nor any development or event involving a prospective material adverse change, in the financial condition, business, properties, results of operations or prospects of the Issuer and its subsidiaries taken as a whole, except as set forth in the General Disclosure Package.

(e) The Issuer shall have requested and caused PricewaterhouseCoopers LLP, the independent registered public accounting firm for the Issuer and the PG Energy Business, to have furnished to the Representatives, at the Applicable Time and at the Closing Date, letters (which may refer to letters previously delivered to one or more of the Initial Purchasers), dated respectively as of the Applicable Time and as of the Closing Date, in form and substance satisfactory to the Representatives.

(f) The Issuer and the Trustee shall have entered into the Indenture and you shall have received counterparts, conformed as executed, thereof.

(g) To the Issuer's knowledge, the Acquisition Order is not the subject of any appeal or other proceeding that would have a material adverse effect on the timely consummation of the Acquisition or the financial condition, business, properties, results of operations or prospects of the Issuer and its subsidiaries taken as a whole.

(h) Prior to the Closing Date, the Issuer shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 7 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Initial Purchasers, this Agreement and all obligations of the Initial Purchasers hereunder may be canceled at the Closing Date by the Representatives. Notice of such cancellation shall be given to the Issuer in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 7 shall be delivered at the office of Shearman & Sterling LLP, counsel for the Initial Purchasers, at 599 Lexington Avenue, New York, New York 10022, on the Closing Date.

8. Indemnification and Contribution. (a) The Issuer will indemnify and hold harmless each Initial Purchaser, its officers, partners, members, directors and its affiliates and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which such Initial Purchaser may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Circular or the Final Offering Circular (including the Exchange Act Reports incorporated by reference therein), in each case as amended or supplemented, or any Issuer Free Writing Communication or the information contained in the Terms Communication, in each case as amended or supplemented, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and will reimburse each Initial Purchaser for any legal or other expenses reasonably incurred by such Initial Purchaser in connection with investigating or defending any such loss, claim, damage,

liability or action as such expenses are incurred; provided, however, that the Issuer will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Issuer by any Initial Purchaser through the Representatives specifically for use therein, it being understood and agreed that the only such information consists of the information described as such in subsection (b) below; and provided, further, that with respect to any untrue statement or alleged untrue statement in or omission or alleged omission from any Preliminary Offering Circular, Issuer Free Writing Communication or supplemental disclosure document, the indemnity agreement contained in this subsection (a) shall not inure to the benefit of any Initial Purchaser that sold the Securities concerned to the person asserting any such losses, claims, damages or liabilities, to the extent that such sale was an initial resale by such Initial Purchaser and any such loss, claim, damage or liability of such Initial Purchaser results from the fact that there was not conveyed to such person, at or prior to the time of the sale of such Securities to such person, a copy of the Preliminary Offering Circular, Issuer Free Writing Communication or other supplemental disclosure document correcting such untrue statement or omission or alleged untrue statement or omission (exclusive of any material included therein but not attached thereto, with any material filed with the Commission that is incorporated by reference therein being deemed conveyed for this purpose upon such filing) if the Issuer or its representatives had furnished prior to the Applicable Time copies of such Preliminary Offering Circular, Issuer Free Writing Communication or supplemental disclosure document to such Initial Purchaser and had specifically advised such Initial Purchaser prior to the Applicable Time of such untrue statement or omission or alleged untrue statement or omission that was so corrected.

(b) Each Initial Purchaser will severally and not jointly indemnify and hold harmless the Issuer, its directors and officers and each person, if any, who controls the Issuer within the meaning of Section 15 of the Securities Act, against any losses, claims, damages or liabilities to which the Issuer may become subject, under the Securities Act or the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Offering Circular or the Final Offering Circular (including the Exchange Act Reports incorporated by reference therein), in each case as amended or supplemented, or any Issuer Free Writing Communication or the information contained in the Terms Communication, in each case as amended or supplemented, or arise out of or are based upon the omission or the alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Issuer by such Initial Purchaser through the Representatives specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by the Issuer in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred, it being understood and agreed that the only such information furnished by any Initial Purchaser consists of the following information in the Preliminary and Final Offering Circular furnished on behalf of each Initial Purchaser: the table following the first paragraph, and the third, sixth and seventh paragraphs under the caption "Plan of Distribution"; provided, however, that the Initial Purchasers shall not be liable for any losses, claims, damages or liabilities arising out of or based upon the Issuer's failure to perform its obligations under Section 5(a) of this Agreement.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement includes (i) an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to or an admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 8 is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Issuer on the one hand and the Initial Purchasers on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Issuer on the one hand and the Initial Purchasers on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Issuer on the one hand and the Initial Purchasers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Issuer bear to the total discounts and commissions received by the Initial Purchasers from the Issuer under this Agreement. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates

to information supplied by the Issuer or the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Initial Purchaser shall be required to contribute any amount in excess of the amount by which the total price at which the Securities purchased by it were resold exceeds the amount of any damages which such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The Initial Purchasers' obligations in this subsection (d) to contribute are several in proportion to their respective purchase obligations and not joint.

(e) The obligations of the Issuer under this Section 8 shall be in addition to any liability which the Issuer may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Initial Purchaser within the meaning of the Securities Act or the Exchange Act; and the obligations of the Initial Purchasers under this Section shall be in addition to any liability which the respective Initial Purchasers may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Issuer within the meaning of the Securities Act or the Exchange Act.

9. Default by an Initial Purchaser. If any Initial Purchaser or Initial Purchasers default in their obligations to purchase Securities hereunder and the aggregate principal amount of Securities that such defaulting Initial Purchaser or Initial Purchasers agreed but failed to purchase does not exceed 10% of the total principal amount of Securities, Credit Suisse may make arrangements satisfactory to the Issuer for the purchase of such Securities by other persons, including any of the Initial Purchasers, but if no such arrangements are made by the Closing Date, the non-defaulting Initial Purchasers shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Securities that such defaulting Initial Purchasers agreed but failed to purchase. If any Initial Purchaser or Initial Purchasers so default and the aggregate principal amount of Securities with respect to which such default or defaults occur exceeds 10% of the total principal amount of Securities and arrangements satisfactory to Credit Suisse and the Issuer for the purchase of such Securities by other persons are not made within 48 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Initial Purchaser or the Issuer, except as provided in Section 10. In any such case that does not result in a termination of this Agreement, the Issuer and the Initial Purchasers may postpone the closing date for not longer than seven (7) days, in order that the required changes, if any, in the Offering Circular or any other documents or arrangements may be effected. As used in this Agreement, the term "Initial Purchaser" includes any person substituted for an Initial Purchaser under this Section. Nothing herein will relieve a defaulting Purchaser from liability for its default.

10. Termination; Certain Representations and Indemnities to Survive. The respective indemnities, agreements, representations, warranties and other statements of the Issuer or its officers and of the several Initial Purchasers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Initial Purchaser, the Issuer or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Securities. If this Agreement is terminated pursuant to Section 9 or if for any reason the purchase of the Securities by the Initial Purchasers is not consummated, the Issuer shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 5 and the respective obligations of the Issuer and the Initial Purchasers pursuant to Section 8 shall remain in effect. If the purchase of the Securities by the Initial Purchasers is not consummated for any reason other than solely because of the termination of this Agreement pursuant to Section 9 or the occurrence of any event specified in clause (i), (iii), (iv), (v), (vi), (vii) or (viii) of Section 7(a), the Issuer will reimburse the Initial Purchasers for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Securities.

11. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed, in the case of (i) Credit Suisse Securities (USA) LLC shall be directed to it at Eleven Madison Avenue, New York, New York 10010-3629, Attention: Short and Medium Term Finance Department (Facsimile No. (212) 325-8183); or (ii) Wachovia Capital Markets, LLC shall be directed to it at One Wachovia Center, 301 South College Street, TW-8, Charlotte, North Carolina 28288-0602, Attention: Syndicate Desk (Facsimile No. (704) 383-0661), in each case with a copy to Shearman & Sterling LLP, 599 Lexington Avenue, New York, New York 10022, Attention: Lisa Jacobs, Esq.; and notices to the Issuer shall be directed to it at 460 North Gulph Road, King of Prussia, PA 19406, Attention: Treasurer (Facsimile No. (610) 992-3259), with a copy to Morgan, Lewis & Bockius LLP, 1111 Pennsylvania Avenue, N.W., Washington, D.C. 20004, Attention: Linda Griggs, Esq. (Facsimile No. (202) 739-3001).

12. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, agents and controlling persons referred to in Section 8(a) hereof, and no other person will have any right or obligation hereunder, except that holders of Securities shall be entitled to enforce the agreements for their benefit contained in the second and third sentences of Section 5(b) hereof against the Issuer as if such holders were parties thereto.

13. Representation of Purchasers. You will act for the several Initial Purchasers in connection with this purchase, and any action under this Agreement taken by you jointly or by Credit Suisse will be binding upon all the Initial Purchasers.

14. No Fiduciary Duty. The Issuer acknowledges and agrees that: (a) the Representatives have been retained solely to act as agents in connection with the sale of the Issuer's Securities and that no fiduciary, advisory or agency relationship between the Issuer and the Initial Purchasers has been created in respect of any of the transactions contemplated by this Agreement, irrespective of whether the Representatives have advised or are advising the Issuer on other matters; (b) the price of the Securities set forth in

this Agreement was established by the Issuer following discussions and arms length negotiations with the Representatives and the Issuer is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement or the Preliminary or Final Offering Circular; (c) it has been advised that the Representatives and their affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Issuer and that the Representatives have no obligation to disclose such interests and transactions to the Issuer by virtue of any fiduciary, advisory or agency relationship; and (d) it waives, to the fullest extent permitted by law, any claims it may have against the Representatives for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Representatives shall have no liability (whether direct or indirect) to the Issuer in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Issuer, including stockholders, employees or creditors of the Issuer.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Issuer and the Initial Purchasers, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without regard to principles of conflicts of laws. The Issuer hereby submits to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

17. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

18. Headings. The section headings used herein are for convenience only and shall not affect the construction hereof.

19. Definitions. The terms that follow, when used in this Agreement, shall have the meanings indicated:

(b) *Holders of Transfer Restricted Securities.* A Person is deemed to be a holder of Transfer Restricted Securities (each, a “**Holder**”) whenever such Person owns Transfer Restricted Securities.

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 6(a) below have been complied with), the Issuer shall

(i) cause the Exchange Offer Registration Statement to be filed with the Commission no later than 90 days after the Closing Date and use its best efforts to cause the Exchange Offer Registration Statement to become effective at the earliest possible time, but no later than 180 days after the Closing Date,

(ii) in connection with the foregoing, (A) cause to be filed all pre-effective amendments to the Exchange Offer Registration Statement as may be necessary in order to cause the Exchange Offer Registration Statement to become effective and (B) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the Blue Sky laws of such jurisdictions as are necessary to permit Completion of the Exchange Offer, and

(iii) upon the effectiveness of the Exchange Offer Registration Statement, commence the Exchange Offer and issue the Exchange Securities in exchange for all Transfer Restricted Securities tendered prior thereto in the Exchange Offer. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to permit resales of Exchange Securities held by Broker-Dealers as contemplated by Section 3(c) below.

(b) The Issuer shall use its best efforts to cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than 20 Business Days. The Issuer shall use reasonable efforts to cause the Exchange Offer to comply with all applicable federal and state securities laws. The Issuer shall use reasonable efforts to cause the Exchange Offer to be Completed on the earliest practicable date after the Exchange Offer Registration Statement has become effective, but in no event later than 10 Business Days following the expiration of the period during which the Exchange Offer is open.

(c) The Issuer shall indicate in a “Plan of Distribution” section contained in the Prospectus contained in the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities may exchange such Initial Securities pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Act and must, therefore, deliver a prospectus meeting the requirements of the Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by

such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission staff may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Exchange Securities held by any such Broker-Dealer except to the extent required by the Commission staff.

Upon the request of a Broker-Dealer, the Issuer shall use reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) below to the extent necessary to ensure that it is available for resales of Exchange Securities by Broker-Dealers, and to ensure that it conforms with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of 180 days from the date on which the Exchange Offer Registration Statement is declared effective.

The Issuer shall provide a reasonable number of copies of the latest version of such Prospectus to Broker-Dealers required to deliver the Prospectus promptly upon request at any time during such 180 day period in order to facilitate such resales.

SECTION 4. SHELF REGISTRATION

The Issuer shall use reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Transfer Restricted Securities by the Holders of Transfer Restricted Securities entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least two years following the effective date thereof or such shorter period that will terminate when all Transfer Restricted Securities covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement or are eligible for resale without any volume restrictions under Rule 144 under the Act.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Issuer in writing, within 10 Business Days after receipt of a request therefor, such information as the Issuer may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. (iii) with respect to any Shelf Registration Statement, advise the underwriter(s), if any, named in the applicable Prospectus and selling Holders named in the applicable Prospectus promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Shelf Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Shelf Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Shelf Registration Statement under the Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Shelf Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Shelf Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Shelf Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or Blue Sky laws, the Issuer shall use reasonable efforts to obtain the withdrawal or lifting of such order as soon as practicable;

(iv) with respect to any Shelf Registration Statement, furnish to each of the selling Holders and each of the underwriter(s) named therein, if any, before filing with the Commission, copies of the Shelf Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus;

(v) in connection with any Shelf Registration Statement required by this Agreement, make available at reasonable times for inspection by the selling Holders, any underwriter named in the Shelf Registration Statement participating in any disposition pursuant to such Registration Statement, and any attorney or accountant retained by such selling Holders or any of the underwriter(s), all financial and other records, pertinent corporate documents and properties of the Issuer and cause the officers, directors and employees of the Issuer to supply all information reasonably requested by any such Holder, underwriter, attorney or accountant in connection with such Registration Statement subsequent to the filing thereof and prior to its effectiveness;

(vi) with respect to any Shelf Registration Statement, if reasonably requested by any selling Holders or the underwriter(s) named in the Shelf Registration Statement, if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities, information with respect to the principal amount of Transfer Restricted Securities being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Issuer is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(vii) use its best efforts to cause the Transfer Restricted Securities covered by the Shelf Registration Statement to be rated with the appropriate rating agencies within 30 days of issuance or as soon thereafter as practicable;

(viii) with respect to any Shelf Registration Statement, furnish, upon request, to each selling Holder and each of the underwriter(s) named in the Shelf Registration Statement, if any, without charge, at least one copy of the Shelf Registration Statement, as first filed with the Commission, and of each amendment thereto, including all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(ix) with respect to any Shelf Registration Statement, deliver to each selling Holder and each of the underwriter(s) named in the Shelf Registration Statement, if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; the Issuer hereby consents to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(x) in connection with any underwritten public offering effected pursuant to a Shelf Registration Statement, enter into such agreements (including an underwriting agreement) in form and substance satisfactory to it, and make such representations and warranties in form and substance satisfactory to it, and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Shelf Registration Statement contemplated by this Agreement, all to such extent as may be reasonably requested by any Initial Purchaser or by any Holder of Transfer Restricted Securities or underwriter in connection with any sale or resale pursuant to any Shelf Registration Statement contemplated by this Agreement; the Issuer shall:

(A) furnish to each Initial Purchaser, each selling Holder and each underwriter, if any, in such substance and scope as they may request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the date of effectiveness of the Shelf Registration Statement, signed by (y) the President or any Vice President and (z) a principal financial or accounting officer of the Issuer, confirming, as of the date thereof, the matters set forth in Section 7(d) of the Purchase Agreement;

(2) an opinion, dated the date of effectiveness of the Shelf Registration Statement, of counsel for the Issuer covering the matters customarily covered in opinions requested in similar underwritten offerings and such other matters as such parties may reasonably request, and in any event including a statement to the effect that such counsel has participated in conferences with directors, officers and other representatives of the Issuer, representatives of the independent registered public accounting firm for the Issuer, the Initial Purchasers' representatives and the Initial Purchasers' counsel's representatives in connection with the preparation of such Registration Statement and the related Prospectus at which conferences the contents of and related matters were discussed, and that although such counsel has not independently verified and need not pass upon, or assume responsibility for, the accuracy, completeness or fairness of statements contained in the Registration Statement and Prospectus (except to the extent specified in the foregoing opinion), no facts have come to such counsel's attention which lead such counsel to believe that the applicable Registration Statement, on the effective date thereof or the date of any post-effective amendment thereto became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements contained therein not misleading or that the Prospectus contained in such Registration Statement, on the date thereof, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary to make the statements contained therein, in the light of the circumstances under which they were made, not misleading (it being understood that such counsel need not express any view with respect to the financial statements and related notes, the financial statement schedules and the other financial, statistical and accounting data included in the Registration Statement contemplated by this Agreement or the related Prospectus); and

(3) a customary comfort letter, dated as of the date of effectiveness of the Shelf Registration Statement, from the Issuer's independent registered public accounting firm, in the customary form and covering matters of the type customarily covered in comfort letters by underwriters in connection with primary underwritten offerings, without exception;

(B) set forth in full or incorporate by reference in the purchase agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with clause (A) above and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Issuer pursuant to this clause (x), if any.

If at any time the representations and warranties of the Issuer contemplated in clause (A)(1) above cease to be true and correct, the Issuer shall so advise the Initial Purchasers and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xi) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the securities or Blue Sky laws of such jurisdictions as the selling Holders or underwriter(s) may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that the Issuer shall not be required to register or qualify as a foreign corporation where they are not now so qualified or to take any action that would subject them to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where they are not now so subject;

(xii) shall issue, upon the request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities, having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Issuer by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Initial Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Issuer for cancellation;

(xiii) cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to any sale of Transfer Restricted Securities made by such Holders or underwriter(s);

(xiv) if any fact or event contemplated by clause (c)(iii)(D) above shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading;

(xv) provide CUSIP numbers for all Transfer Restricted Securities not later than the effective date of the Registration Statement and provide the Trustee under the Note Indenture with printed certificates for the Transfer Restricted Securities which are in a form eligible for deposit with the Depository Trust Company;

(xvi) cooperate and assist in any filings required to be made with the NASD and in the performance of any due diligence investigation by any underwriter (including any “qualified independent underwriter”) that is required to be retained in accordance with the rules and regulations of the NASD, and use its reasonable best efforts to cause such Registration Statement to become effective and approved by such governmental agencies or authorities as may be necessary to enable the Holders selling Transfer Restricted Securities to consummate the disposition of such Transfer Restricted Securities;

(xvii) otherwise use its best efforts to comply with all applicable rules and regulations of the Commission, and make generally available to their security holders, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 under the Act (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Transfer Restricted Securities are sold to underwriters in a firm or best efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Issuer’s first fiscal quarter commencing after the effective date of the Registration Statement;

(xviii) cause the Note Indenture to be qualified under the TIA not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of the Initial Securities or Exchange Securities, as the case may be, to effect such changes to the Note Indenture as may be required for such Note Indenture to be so qualified in accordance with the terms of the TIA; and execute and use its best efforts to cause the Trustee to execute all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Note Indenture to be so qualified in a timely manner; and

(xix) provide promptly to each Holder upon request each document previously filed by the Issuer with the Commission pursuant to the requirements of Section 13 and Section 15 of the Act.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Issuer of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(ii) hereof, or until it is advised in writing (the “**Advice**”) by the Issuer that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Issuer, each Holder will deliver to the Issuer (at the Issuer’s expense) all copies, other than permanent file copies then in such Holder’s possession, of the Prospectus covering such Transfer Restricted Securities that was current immediately prior to the time of receipt of such notice. In the event the Issuer shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xiv) hereof or shall have received the Advice.

SECTION 7. REGISTRATION EXPENSES

(a) All expenses incident to the performance of or compliance with this Agreement by the Issuer will be borne by the Issuer, regardless of whether a Registration Statement becomes effective, including without limitation: (i) all registration and filing fees and expenses (including filings made by any Initial Purchaser or Holder with the NASD (and, if applicable, the fees and expenses of any “qualified independent underwriter” and its counsel that may be required by the rules and regulations of the NASD)); (ii) all fees and expenses of compliance with federal securities and state Blue Sky or securities laws (including the reasonable fees, expenses and disbursements of counsel relating to the preparation, printing or reproduction, and delivery of the preliminary and supplemental Blue Sky Memorandum and such registration and qualification); (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Issuer and, subject to Section 7(b) below, the Holders of Transfer Restricted Securities; and (v) all fees and disbursements of the independent registered public accounting firm of the Issuer (including the expenses of any special audit and comfort letters required by or incident to such performance); *provided, however*, that in an underwritten offering, the Issuer shall not be responsible for any fees and expenses of any underwriter including any underwriting discounts and commissions or any legal fees and expenses of counsel to the underwriters.

The Issuer will, in any event, bear its internal expenses, including the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Issuer.

It is understood that, except as otherwise provided in this Agreement, the Initial Purchasers will pay all their own costs and expenses, including the fees of their counsel, transfer taxes on any resale of the Initial Securities by each Initial Purchaser and any advertising expenses connected with any offer they may make and the transportation and other expenses incurred by the Initial Purchasers in connection with presentations to prospective purchasers of the Initial Securities.

(b) In connection with any Registration Statement required by this Agreement (including, without limitation, the Exchange Offer Registration Statement and the Shelf Registration Statement), the Issuer will reimburse the Initial Purchasers and the Holders of Transfer Restricted Securities being tendered in the Exchange Offer and/or resold pursuant to the “Plan of Distribution” contained in the Exchange Offer Registration Statement or registered pursuant to the Shelf Registration Statement, as applicable, for the reasonable fees and disbursements of not more than one counsel, to be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Registration Statement is being prepared. Such choice of counsel shall be communicated to the Issuer in a timely fashion.

SECTION 8. INDEMNIFICATION

(a) The Issuer agrees to indemnify and hold harmless (i) each Holder and (ii) each person, if any, who controls (within the meaning of Section 15 of the Act or Section 20 of the Exchange Act) any Holder (any of the persons referred to in this clause (ii) being hereinafter referred to as a “**controlling person**”) and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an “**Indemnified Holder**”), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and reasonable expenses (including without limitation and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or

threatened, including the reasonable fees and expenses of counsel to any Indemnified Holder) directly or indirectly caused by, related to, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information furnished in writing to the Issuer by any of the Holders expressly for use therein; provided, however, that the indemnification contained in this paragraph (a) with respect to the preliminary prospectus shall not inure to the benefit of any Holder (or to the benefit of any person controlling such Holder) on account of any such loss, claim, damage, liability or expense arising from the sale of the Transfer Restricted Securities by such Holder to any person if a copy of a final prospectus shall not have been delivered or sent to such person within the time required by the Act and the regulations thereunder for delivery of a prospectus, and the untrue statement or alleged untrue statement or omission or alleged omission of a material fact contained in such preliminary prospectus was corrected in the final prospectus, provided that the Issuer has delivered the final prospectus to the Holders in reasonably requested quantities and on a timely basis to permit such delivery or sending. The Issuer shall notify you promptly of the institution, threat or assertion of any claim, proceeding (including any governmental investigation) or litigation in connection with the matters addressed by this Agreement which involves the Issuer or an Indemnified Holder.

In case any action or proceeding (including any governmental investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Issuer, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person), shall promptly notify the Issuer in writing (*provided*, that the failure to give such notice shall not relieve the indemnifying party of its obligations pursuant to this Agreement unless the indemnifying party is foreclosed by reason of such failure from asserting a defense otherwise available to it). Such Indemnified Holder shall have the right to employ separate counsel in any such action, suit or proceeding and to participate in (but not control) the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Holder, rather than the Issuer, as the case may be, unless (i) the Issuer has agreed in writing to pay such fees and expenses, (ii) the Issuer has failed to assume the defense and employ counsel or (iii) the named parties to any such action, suit or proceeding (including any impleaded parties) include both such Indemnified Holder and the Issuer, and such Indemnified Holder shall have been advised by its counsel that representation of such Indemnified Holder and the Issuer, as the case may be, by the same counsel would be inappropriate under applicable standards of professional conduct (whether or not such representation by the same counsel has been proposed) due to actual or potential differing interests between them (in which case the Issuer shall not have the right to assume the defense of such action, suit or proceeding on behalf of such Indemnified Holder). The Issuer shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for such Indemnified Holders, which firm shall be designated by the Holders. The Issuer shall be liable for any settlement of any such action or proceeding effected with the indemnifying party's prior written consent and the Issuer agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the indemnifying party. Notwithstanding the immediately preceding sentence, if at any time an Indemnified Holder shall have requested an indemnifying party to reimburse the Indemnified Holder for fees and expenses of counsel as contemplated by the second sentence of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent (unless such consent has been reasonably withheld) if (i) such settlement is entered into more than twenty business days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the Indemnified Holder in accordance with such request prior to the date of such settlement (unless the right to such reimbursement shall have been previously disputed in good faith). The Issuer shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes a release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding to at least the same extent as any release of the Issuer obtained in connection with such settlement.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Issuer and its directors, officers, partners, employees or representatives, and any person controlling (within the meaning of Section 15 of the Act or Section 20 of the Exchange Act) the Issuer, and the officers, directors, partners, employees, representatives and agents of each such person, to the same extent as the foregoing indemnity from the Issuer to each of the Indemnified Holders, but only with respect to claims and actions based on information furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Issuer or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Issuer or such controlling person and the Issuer shall have the rights and duties given to each Holder by the preceding paragraph. In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or Section 8(b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Issuer on the one hand and the Holders on the other hand from their sale of Transfer Restricted Securities or if such allocation is not permitted by applicable law, the relative fault of the Issuer on the one hand and of the Indemnified Holder on the other in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Issuer on the one hand and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or by the Indemnified Holder and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a), any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Issuer and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total proceeds received by such Holder with respect to the Initial Securities exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. RULE 144A

The Issuer hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding, to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A.

SECTION 10. PARTICIPATION IN UNDERWRITTEN REGISTRATIONS

No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Transfer Restricted Securities on the basis provided in any underwriting arrangements approved by the Persons entitled under Section 11 hereof to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. SELECTION OF UNDERWRITERS

The Holders of Transfer Restricted Securities covered by the Shelf Registration Statement who desire to do so may sell such Transfer Restricted Securities in an Underwritten Offering. In any such Underwritten Offering, the investment banker or investment bankers and manager or managers that will administer the offering will be selected by the Holders of a majority in aggregate principal amount of the Transfer Restricted Securities included in such offering; *provided*, that such investment bankers and managers must be reasonably satisfactory to the Issuer, it being understood that the Issuer may reasonably object to any underwriter if the selection of such underwriter would require the engagement of a "qualified independent underwriter" under the rules and regulations of the NASD.

SECTION 12. MISCELLANEOUS

(a) *No Inconsistent Agreements.* On or after the date of this Agreement, the Issuer will not enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof.
